

On the 35th anniversary

Of

The London Regional Medevac Center

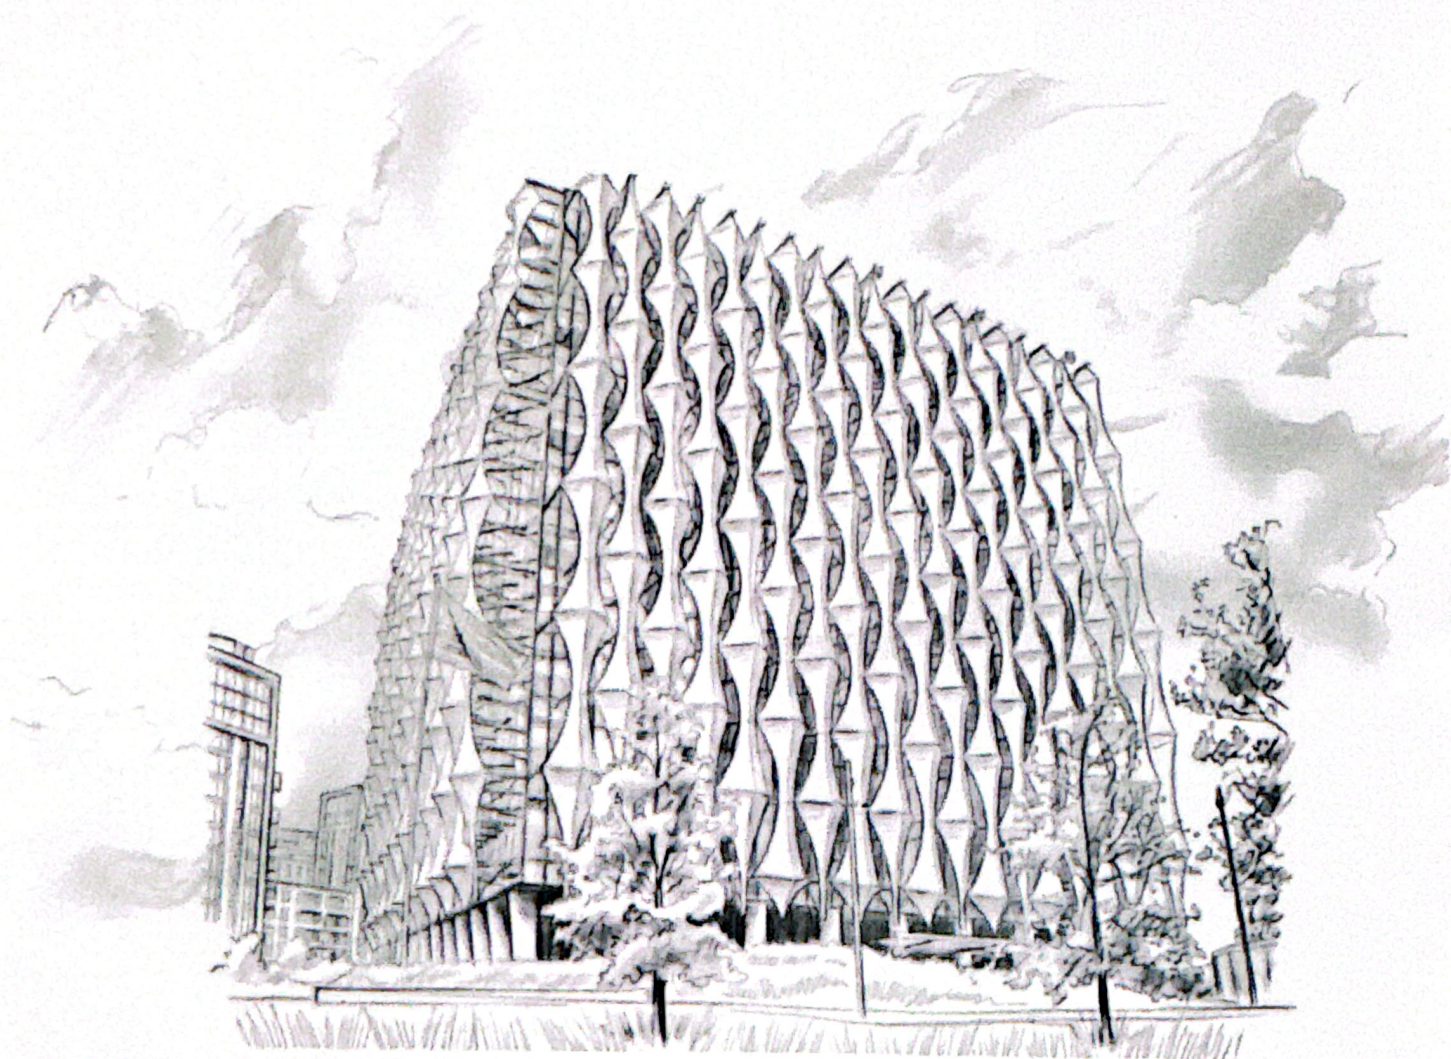

The U.S. Embassy would like to thank you for your extraordinary service to the American diplomatic community in London and our medical evacuation patients from around the world.

Your efforts continually renew the bond of the Special Relationship between the USA and UK.

Your daily dedication and compassionate care have touched countless lives.

Warren Stephens

U.S. Ambassador to the Court of St. James's

Embassy of the United States of America, London
